

# Your referral to Texas Children's Hospital: Sleep Clinic

Your doctor has referred your child to a pediatric sleep provider at Texas Children's Hospital. For your convenience, our sleep providers see patients at multiple locations and **may offer video visits for certain conditions**.

**Many visit types can be scheduled using your Texas Children's MyChart account.**

If you do not have a MyChart account for your child, or prefer making an appointment over the phone, please call 832-826-2156 (Medical Center), 832-227-2130 (West Campus) or 936-267-5880 (The Woodlands), Mon. – Fri., 8 a.m. – 5 p.m.

Thank you for allowing us to care for your child.
