Points of Interest

Light Rail

The Houston METRORail offers a public transportation system of trains that run throughout the Texas Medical Center, the museum district, downtown Houston, Moody Park, and to the Northline Transit Center. A one-way ticket for METRORail is \$1.25. For more information on the METRORail, or for the train routes, please visit www.ridemetro.org. Texas Children's Hospital is located at the Dryden/TMC stop.

Rice University

Rice University is located less than a mile away from Texas Children's Hospital. This beautiful campus offers a walking and running trail that is open to the public. The trail is just under 3 miles in length, and offers a scenic route for visitors. <http://www.rice.edu/>

Sports

Houston is home to many professional sports teams! During your stay, you may consider going to Minute Maid Park and watch the Houston Astros, visit the BBVA Compass Stadium and cheer on the Houston Dynamo, attend a Rockets game at the Toyota Center, or go to NRG Stadium, just 2.5 miles from Texas Children's Hospital, and cheer on the Houston Texans!
