

Your referral to Texas Children's Hospital: Cardiac Developmental Outcomes Program

Your doctor has referred your child to a pediatric cardiac developmental outcomes program provider at Texas Children's Hospital. Our team will work with you to find the provider and location that best meets your needs.

To begin the program intake process please call 832-826-5979, Mon.-Fri. 8 a.m. -4:30 p.m., excluding holidays.

Thank you for allowing us to care for your child.

Cardiac Developmental Outcomes Program Providers

Audrey Carson, Ph.D
