

Pediatric Radiology

Community Location Guide

What is Radiology?

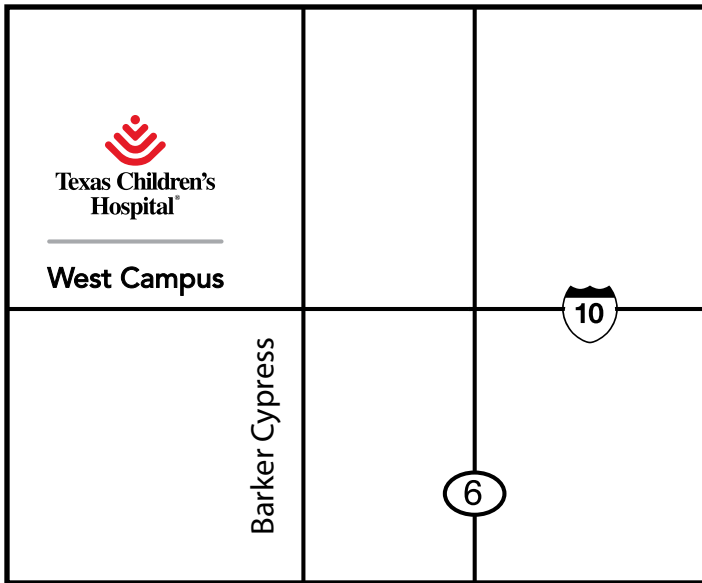

Radiology, also known as imaging or diagnostic imaging, is the name of the field of medicine in which pictures of various parts of the body are taken, then interpreted by a board-certified pediatric radiologist. Included under Pediatric Radiology are all of the different scans listed below.

Pediatric Radiology at Texas Children’s has multiple community locations, based upon the type of scan you are receiving. Please see the breakdown below of the scans provided at our different locations, located across the Greater Houston area. When making your appointment, please make note where your appointment is scheduled.

	West Campus	Clear Lake Health Center	Cy-Fair Health Center	Sugar Land Health Center	The Woodlands Health Center	Kingwood Glen Specialty Care	Upper Kirby Specialty Care
