

## Free COVID-19 Vaccines for the Entire Family

Texas Children's Hospital and the City of Houston have teamed up to host a COVID-19 Vaccine Clinic.

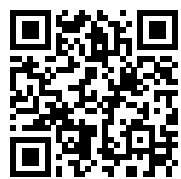

**George R. Brown Convention Center**  
1001 Avenida de las Americas, Houston, Texas 77010

**December 17 • Noon to 8 p.m. • Third floor ballroom**  
**January 7 • Noon to 8 p.m. • Level one exhibit hall**

The vaccination areas will be transformed into kid-friendly spaces, complete with toys and coloring books. Bring the entire family!

**Walk-ins are welcomed!** Please schedule an appointment, if possible.

Parents and guardians scheduling appointments for their children do not need to schedule appointments for themselves. Parents and guardians will be offered a 1st, 2nd or booster dose during their child's vaccination.

**FREE Parking:**  
Toyota Tundra Garage  
1515 Jackson St, Houston, TX 77003

**FREE Metro Rides:**  
Attendees should show a copy of this flyer.

To schedule an appointment or for additional information, please visit [texaschildrens.org/covid-19-information](https://texaschildrens.org/covid-19-information) or scan the QR code.

### Vaccines will be available for the following eligible individuals:
