CONFERENCE OVERVIEW

Skill preparation and planning for health care transition for children and youth with special health care needs is inadequate. Less than 50 percent of families nationwide indicate that their children with special health care needs have received the services necessary to make appropriate transitions to adult health care, work, and independence. One of the major hurdles to receiving this care is the lack of a workforce, including physicians, nurses, social workers, mental health providers and all who provide services to youth and young adults with special health care needs trained to provide the services necessary to make the health care transition. There is a strong need for physicians to have the knowledge and skills to provide the services needed to facilitate a successful transition from pediatric to adult-based care and services.

Because of increased awareness of transitioning to adult-based care, clinicians are required to update their knowledge of the changing strategies for integrating emerging adult-based care into practice.

For all conference participants, there will be a discussion of the legal issues involved in health care transition, as well as time to meet and talk with faculty in small groups, to exchange ideas among participants, and to share knowledge and information about how best to plan for a successful transition to adulthood.

TARGET AUDIENCE

Physicians in internal medicine, family practice, pediatrics, psychiatry, and physiatry; other health care providers including psychologists, social workers, nurses, dietitians, case managers, counselors, and primary care providers; and youth and young adults who have a chronic illness or disability and their parents or guardians.

OBJECTIVES

At the conclusion of the conference, participants should be able to:

- Describe strategies for setting up and evaluating a transition program
- Describe models of care for transitioning youth with medical complexity
- Discuss the current state of HCT from pediatric to adult based care
- Describe the non-medical aspects of care, such as formal planning related to HCT for families of AYASHCN
- Describe the legal issues associated with transition from pediatric to adult-based care

EDUCATIONAL METHODS

Lecture ■ Meet the Faculty Sessions ■ Breakout Sessions ■ Question and Answer Sessions

EVALUATION

A questionnaire will be used to evaluate and address program content, presentation, and possible bias.

DISCLOSURE POLICY

To meet the requirements of the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of Baylor College of Medicine that all individuals who are in a position to control the content of the CME activity (activity director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, current, and objectively presented. Specific disclosure will be made to the participants before the educational activity.

Registration for, attendance at, and/or participation in this activity constitutes acknowledgment by the registrant/attendee/participant that photos may be made of the conference events and constitute agreement by the registrant/attendee/participant that Baylor College of Medicine may use and distribute in its publications, on its website, and in the conference proceedings, such photos that include the image of the registrant/attendee/participant.

By participating in the activity, the registrant/attendee/participant acknowledges that he/she agrees to these stipulations. Audio or videotaping is prohibited without written permission from the Activity Director and the Office of Continuing Medical Education, Baylor College of Medicine, Houston, Texas.
ACCREDITATION/CREDIT DESIGNATION

Physicians
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 14.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The presentation, Legal Issues in Health care Transition, has been designated by Baylor College of Medicine for 1.0 credit of education in medical ethics and/or professional responsibility.

Nursing
Texas Children's Hospital is an approved provider with commendation of continuing nursing education by the Texas Nurses Association – Approver, an accredited approver with distinction, by the American Nurses Credentialing Center’s Commission on Accreditation.

Social Work
Texas Children’s Hospital is an approved continuing education provider for Social Workers through the Texas State Board of Social Worker Examiners. Social work continuing education units provided, 14 hours of continuing education including 1 hour of ethics.

Occupational Therapy and Physical Therapy
Contact hours (CCUs) have been applied for through TPTA and TOTA. Texas Children’s Hospital is an Approved Provider for the Texas Occupational Therapy Association. The assignment of TOTA CE hours does not imply endorsement of a specific course, content, products, or clinical procedures by TOTA.

FEE, REGISTRATION AND CONFIRMATION INFORMATION
Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

A limited number of scholarships are available for CYSHCN and their parents or guardians. For complete details, please contact Katrine Nordstrom at Katrine.Nordstrom@txp2p.org.

If you plan to register on site, contact the OCME at least 24 hours in advance to confirm activity status and space availability.

The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay for the conference only, visit our website at BaylorCME.org/CME/1623 and follow the instructions.

CANCELLATION/REFUND POLICY
Requests for registration refunds must be in writing and received by the OCME at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee to be deducted from the paid registration fee to cover guarantees and other expenses. Requests should be emailed to cme@bcm.edu or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form and again in writing. If an activity is cancelled, the OCME’s liability is limited to the paid registration fee. Note: If the registration payment was made by check, a Social Security number is required to process the refund.
