

# PM&R Observation Scheduling Questions

Please read and answer all items in their entirety

**1. Which discipline are you interested in observing in the outpatient clinic: Occupational Therapy, Physical Therapy, or Speech Therapy?**

\*NO inpatient or NICU observations – applies to ALL locations. Any exceptions needs approval by the respective managers. Exceptions include:

- If the observer is already a licensed therapist and part of IDS or if is a licensed therapist BUT outside of TCH. An outside therapist MUST provide extra documentation stating their reasons for observing at TCH. If the observer is part of an approved program with a sponsor.

**2. How many hours do you need? (Up to 20 hours allowed per calendar year)**

**3. What is your availability? (Projected start date, certain days, all day, half-day, mornings, afternoons, etc.)**

- \* Please allow up to 3 weeks for your papers to be processed and cleared (we are unable to process stat observation requests)
- \* Outpatient clinic hours are available Monday – Friday 8:00-6:00 and availability will be dependent upon the location & therapist that you have been assigned
- \* Once assigned to a location, you have up to 2 weeks to complete your requested observation hours (up to 20 hours) to allow other students an observation opportunity

**4. Which location would you prefer? Available locations: West Campus, The Woodlands Campus or one of the Health Centers: Sugar Land, and Kingwood-Glen. \*NO Medical**

Center Campus or CY-Fair Health center observations at this time. Any exceptions needs approval by the respective managers. Exceptions include: If the observer is part of an approved program with a sponsor.

**5. Name, discipline, location and department of therapist/sponsor you are requesting to observe with. (Therapist and manager must approve this prior to sending in application). If none, please write N/A.**
