

Texas Children's Hospital

PGY1 Pharmacy & PGY2 Health System Pharmacy Administration & Leadership Residency with Masters

The pharmacy administration residency at Texas Children's Hospital is designed to prepare residents to assume roles as leaders in pharmacy by providing expert knowledge, skills, and experience in operations, clinical care, and health-system administration. The residency is committed to advancing healthcare, while simultaneously providing a focused opportunity to explore the specialized needs of the pediatric population.

ABOUT TEXAS CHILDREN'S HOSPITAL
