

Texas Children's Hospital Administrative Fellowship

The 12-month Texas Children's Hospital Administrative Fellowship is designed to develop future leaders in health care administration. Our renowned program provides early careerists with exposure to executive leadership, high-level decision-making and opportunities to lead individual projects, at the nation's largest children's hospital. An unparalleled networking opportunity, many of Texas Children's current leaders got their start in this program.

- Fellows will spend time shadowing and working closely with key leaders.
- Fellows will work on strategic projects that further the organization's mission and goals.
- Fellows will report through the office of the President and CEO, Mark A. Wallace.
