

## 2020 Diabetes Management of the School-Aged Child

Provided by Texas Children's Hospital

February 29, 2020 | Lone Star Convention Center | 8:00am – 4:30pm

### CONTINUING NURSING PROFESSIONAL DEVELOPMENT

Texas Children's Hospital is an approved provider with commendation of continuing nursing education by the Texas Nurses Association - Approver, an accredited approver with distinction, by the American Nurses Credentialing Center's Commission on Accreditation.

Texas Children's Hospital is an approved provider of continuing professional education units by the Commission on Dietetic Registration. CDR Credentialed Practitioners will receive up to 5.5 Continuing Professional Education units (CPEUs) for completion of this activity.

### REQUIREMENTS FOR SUCCESSFUL COMPLETION

To receive contact hours for this continuing education activity, the participant must:

- Attend the entire activity
- Sign the attendance record
- Complete a participant evaluation **online** (Survey will be sent via email to all participants at the end of the conference)

Once successful completion has been verified, a "Certificate of Successful Completion" will be awarded up to 5.5 contact hour(s).

For web link issues, email [cne@texaschildrens.org](mailto:cne@texaschildrens.org)

**LEARNING OUTCOME(S)** Upon successful completion of this continuing professional development education activity, the participant will have improved knowledge they can apply to their practice in the care of children with diabetes.

### CONFLICTS OF INTEREST

Explanation: A conflict of interest occurs when an individual has an opportunity to affect or impact educational content with which he or she may have a commercial interest or a potentially biasing relationship of a financial nature. All planners and presenters/authors/content reviewers must disclose the presence or absence of a conflict of interest relative to this activity. All potential conflicts are resolved prior to the planning, implementation, or evaluation of the continuing nursing education activity. All activity planning committee members and presenters/authors/content reviewers have submitted Conflict of Interest Disclosure forms.

The activity's Nurse Planner has determined that no one who has the ability to control the content of this CNE activity – planning committee members and presenters/authors/content reviewers – has a conflict of interest.
