For questions, referrals or to make an appointment, please call 281-540-0476.

Sports Medicine Therapy

19298 W. Lake Houston Pkwy., Ste. 240
Humble, TX 77346

The Sports Medicine Therapy Program is designed to meet the needs of the young athlete. Our experienced physical therapists help young athletes return to play following injury and surgery.

Our program consists of:
• Individualized evaluation.
• Customized rehabilitation program and treatments to help each child maximize potential using advanced pediatric rehabilitation techniques including:
  - Motion analysis
  - Performance testing
  - Manual therapy
  - Strengthening
  - Flexibility training
  - Neuromuscular re-training
• Ongoing consultations to help ensure appropriate rehabilitation.
• Functional and performance testing at the end of therapy to determine readiness to play and establish strategies to help the athlete stay healthy.

For questions, referrals or to make an appointment, please call 281-812-5725.
