

Your referral to Texas Children's Hospital: Genetics

Your doctor has referred your child to a pediatric genetics provider at Texas Children's Hospital. For your convenience, our genetics providers see patients at two locations in the Houston area.

Select visit types may require review by our team before scheduling can occur. When the review is complete, we will contact you to schedule an appointment.

To schedule an appointment or to check on the status of your referral, please call 832-822-4280, Mon. – Fri., 8:30am – 4:30pm.

Thank you for allowing us to care for your child.
