

# Your referral to Texas Children's Hospital: Primary Care Practice at Palm Center

Your doctor has referred your child to the Texas Children's Primary Care Practice at Palm Center. The Palm Center provides individualized primary care, diagnosis, treatment and follow up for patients who have general pediatric complaints and provides comprehensive routine and preventive health care for infants and children up to 21 years of age. For your convenience, our Palm Center providers **may offer video visits for certain conditions**.

**To schedule an appointment**, please call 346-227-7275, Mon. – Fri., 8 a.m. – 5 p.m.

Thank you for allowing us to care for your child.

## **Palm Center Providers**

For your child to be seen in the clinic, you must select one of our attending physicians as the child's primary care physician, according to guidelines provided by your insurance plan. Also, each patient is assigned to a resident physician to provide continuity of care. Our pediatric residents are physicians who are specializing in the care of children and adolescents.
