

**This Ambassadors membership is presented to:**

---

**Gifted by:**

---

Ambassadors for Texas Children's Hospital is a passionate group of donors who help support the hospital's vision through annual or lifetime financial contributions and enjoy insider information, exclusive events and volunteer opportunities that impact our patients. Each year, Ambassadors funds benefit one part of Texas Children's Hospital's priorities. We are pleased to announce that this year's beneficiary is the **Kangaroo Crew, Texas Children's medical transport team**. Ambassadors funds will support innovation, efficiency and community education efforts that impact countless children in Texas and beyond. These funds will make an immediate impact on getting to patients in-need sooner.
