

LEARN HOW YOU COULD SAVE A LIFE

Join NMDPSM at our registration event at
TCH Bridge to find out more

Beckham,
Patient

70% of patients needing a blood stem cell transplant don't have a fully matched donor in their family. They depend on NMDP to find an unrelated donor.

Date Wednesday, December 10

Time 10 a.m.–2 p.m.

Location Texas Children's Hospital
Auxiliary Bridge
