WELCOME LETTER

Dear All,

On behalf of the Baylor Foundation Lesotho team, a very warm welcome to the 24th Global Health Network Meeting! We are thrilled to be hosting the Network Meeting gathering this year and have worked hard alongside the Houston team to prepare for an exciting programme.

In the choice of this year's theme, "An Evolving Global Health Network: Expanding Within and Beyond," we have tried to highlight the continued remarkable expansion of the Network's programmatic scope, fueled by strong partnerships and innovation. We look forward to lively engagement on topics including clinical leadership; refugee health; technology and innovation; non-communicable diseases; quality improvement; impact reporting and management; adolescent programming; research design and development; and resource mobilization, in addition to updates and specialized topics in HIV and global tuberculosis.

In addition, this year we are privileged to be joined by colleagues from the SeriousFun Children's Network, long-standing partners in camp programming in many of our network countries. We look forward to engaging in discussions on the family camp model and participating in joint social activities throughout the week.

As we embark upon this exciting programme, I'd like to thank you in advance for your participation and engagement. Your dedication and support are critical to making this meeting a success, and we look forward to learning from each other. I'd further like to thank the Texas Children's Global Health team in Houston for the opportunity to work together with them to host this meeting. The Baylor Foundation Lesotho team has thoroughly enjoyed this process. See you soon!

With gratitude,

Lineo Thahane, M.D.

Dr. Lineo Thahane, M.D., FAAP

Executive Director

Baylor College of Medicine Children's Foundation Lesotho

Argentina • Botswana • Colombia • Eswatini • Lesotho • Malawi • Romania • Tanzania • Uganda

THEME

Conference Theme Overview

The theme of this year's Network Meeting is “An Evolving Global Health Network: Expanding Within and Beyond.”

What does this mean for the network?

The Texas Children’s Global Health Network and the implementing partner foundations that comprise the Network are constantly evolving, with each entity at different stages of development and change. Each entity has grown and expanded in their respective programmatic areas, as they continue to meet the needs of their ever-evolving communities. As we each “expand within” in our own countries, we intend to learn from each other, tapping into our strengths and innovative approaches as a Network to address the complex challenges we face in our day-to-day programmatic implementation. As our foundations grow, we also envision “expanding beyond” our traditional areas of programmatic implementation, again learning from each other and leveraging our strengths as a Network.

AGENDA

Day	Event
<p>Monday, 6 November</p>	<p><i>Arrival & Hotel Check-In</i> Executive Directors Lunch & Forum <i>Delegate Registration</i> Motjeko Aerobics: Commit to Be Fit Welcome Reception & Dinner (<i>Braai Area, Mopanong Center</i>)</p>
<p>Tuesday, 7 November</p>	<p>Welcome & Official Opening IAS Updates Global TB Updates Oral Abstracts & Discussion: Tuberculosis Adolescent Programming: Creating Youth Friendly Spaces, Transitioning to Adult Care Oral Abstracts & Discussion: Adolescents Living with HIV "Pulling Back the Curtain" on Research Design and Development Case Study: Baylor Uganda Camp Health Outcomes Camp Panel Discussion: Family Camp Models Oral Abstract & Discussion: Camp Motjeko Aerobics: Commit to Be Fit Dinner (<i>Restaurant</i>) Trivia Night</p>

CONFERENCE INFORMATION

Location: Kopanong Hotel & Conference Centre, 243 Glen Gory Rd, Norton's Home Estates, Benoni, 1501, South Africa.

Social Functions: Social and networking activities are planned during the conference.

- Monday evening: we will have “**Motjeko Aerobics: Commit to Be Fit,**” followed by a camp-themed **Welcome Reception & Dinner.**
- Tuesday night: more “**Motjeko Aerobics: Commit to Be Fit,**” followed by dinner and a Jeopardy-themed **Trivia Night.**
- Wednesday evening: we will host a **Poster Session & Dinner.**
- Thursday morning: we will begin the day with the **Walk the World for Wellness Kickstart** on the hotel grounds. In the evening, we will host a “**Cultural Dinner & Karaoke**” celebration. Each country team will perform karaoke or a dance with a song of their choosing. Cultural attire is optional. A dance party will follow karaoke.

Craft Market: The Craft Market allows foundations to showcase handiworks from their programs and patients. This market also acquaints the group with unique goods and designs from each country and provides the opportunity to raise funds for our programs.

Dress code: The dress code for the conference is smart business casual.

Electricity: Johannesburg has been utilizing load shedding, or rotating power outages and/or reduced power consumption, for load management. There may be load shedding during our conference dates. Load shedding is currently scheduled for early morning and late-night intervals. The hotel's main building is fully powered by an on-site generator. During load shedding, emergency lighting is available in all the accommodation rooms.

Internet connection: Wi-Fi is available to all participants in meeting rooms and the hotel lobby. Depending on bandwidth, Wi-Fi may also be available in guest rooms.

Code of Conduct: The conference is held on behalf of and by members of the Texas Children’s Global Health Network and the activities fall under the Code of Conduct of your Foundation. Please maintain professionalism at all times.

Airport Shuttle: Meet the hotel shuttle at the Johannesburg Airport behind the InterContinental Hotel. Follow signs to the hotel to exit the airport and proceed along the walkway to the shuttle area behind the hotel. If the shuttle has not arrived within 30 minutes, contact the shuttle driver: **Ms. Faith Biyela** (Phone: + 27 78 536 9895; WhatsApp: +27 71 398 9939) or Mrs. ‘Mathabiso Mokhesi, (Phone/WhatsApp: +27 060 460 7449).

Emergencies: 10111 – Nationwide Emergency Response - This number works anywhere in South Africa and is the quickest way to connect to the police.

011 37 55 911 – City of Johannesburg Emergency Connect. This number will connect you with ambulance, fire and police services.

If for any reason you are required to access emergency response services, remember that you must notify the Houston team as soon as is reasonably possible.

Important Contacts

During the event, please use WhatsApp to reach the Lesotho host team.
