Candy Cane Lane

Donation Drop-Off Information

Thank you for making this holiday season joyful by donating gifts to the patients and families at Texas Children's! In keeping with our traditions of accepting and providing gifts to our patients, we are hosting a Candy Cane Lane donation drop-off event at each of our hospital campuses. Donations must be scheduled in advance. Our team of volunteer elves will happily unload and gather donation items for a seamless drop-off experience.

IMPORTANT: Donated items must be brand new and in their original packaging.

Before arriving, please pre-sort items by category and place each category in a separate, clearly labeled bag or box.

Example: Keep dolls, toy cars, arts and crafts, books, games and infant items separate.
