

Baylor
College of
Medicine

August 27, 2026

Dear [Patient First and Last Name],

At Texas Children's and Baylor College of Medicine, high-quality care and confidence in our team are our top priorities. We are committed to delivering compassionate support and assisting you through any changes with clear communication and a seamless experience.

As part of this commitment, we want to keep you informed of an upcoming change. Dr. Nishath (Nina) Ali will be leaving the practice effective September 25, 2026. We understand the importance of the relationship you have built with your physician, and we are here to support you through this transition.

We look forward to supporting your ongoing care with one of our highly qualified obstetrician-gynecologists at Texas Children's and Baylor College of Medicine. Your medical records will remain within both networks, providing a seamless transition and ensuring continuity and coordination of your care.

Should you decide to continue your care with a provider outside of Texas Children's and Baylor College of Medicine, we are committed to supporting a smooth transition. To request a transfer of your medical records, please complete the enclosed form or submit a request through MyChart.

Please contact our office at 832-826-7500 if you need assistance. Our team is here to help you every step of the way.

Thank you for the trust you place in us. We appreciate the opportunity to continue caring for you.

Sincerely,
Texas Children's
