

Texas Children's Specialty Care

Clear Lake Providers

When you refer to a Texas Children's Hospital pediatric specialist, you are accessing a network of subspecialists who are leaders in innovation. The Texas Children's team across disciplines is committed to your patients and their families, so that they return to you, knowing that they have received the best possible care.

Texas Children's Hospital is proud to be your specialist partner as you build the care team for your patients. With a wide network of specialists who have access to the newest and most promising therapies, Texas Children's is well positioned to be your ally against pediatric illness.

How to refer

To refer a patient, visit texaschildrens.org, select **Refer a Patient**, select the desired specialty, then complete and submit our online referral form. Supporting records can also be uploaded using our online form.

Referring provider resources

If you are a referring provider who needs referral assistance or needs to speak to an on-call specialist, call the Provider Connect team at **832-TCH-CARE (832-824-2273)** or toll-free at **877-855-4857**, Monday to Friday, 8 a.m. to 5 p.m., excluding holidays. After hours, follow the prompts to be connected with the appropriate provider.
