

About Texas Children's Cancer & Hematology Center

As a national leader and one of the largest pediatric cancer and hematology centers of its kind, we provide personalized, best-in-class diagnosis and treatment for our patients.

Our commitment to collaboration and unity drives us to achieve excellence in patient care and professional development.

Our Shared Vision: To improve the lives of our patients through the following principles:

- **Joint Collaboration:** We form true partnerships that leverage the unique strengths of all team members to enhance patient care, mentorship, and enable our staff to be their best.
- **A Better Together Culture:** We foster a thriving workplace characterized by unity and mutual respect. By working together, we achieve more and create a supportive environment for patients and their families.

Our Commitment to Excellence: Our combined expertise enables us to enhance the standard of care, develop innovative treatments, and improve patient outcomes. Collaborative governance provides all staff with a voice and a vital role in sustaining excellence.

Now Hiring: Pediatric Hospitalists

Join our nationally recognized pediatric hematology-oncology team at Baylor College of Medicine, where you'll deliver exceptional care, collaborate with leading specialists, and grow in a dynamic, academic hospital environment.

WHY JOIN US?

- Be part of one of the largest pediatric hematology-oncology programs in the U.S.
- Collaborate with world-renowned academic faculty, subspecialty fellows and advanced practice providers
- Work in a dynamic, hospital-based setting with flexible day/night shifts
- Gain in-depth experience caring for a diverse patient population with complex presentations

WHAT WE'RE LOOKING FOR

- Board-eligible or board-certified pediatricians
- Individuals with strong clinical, communication and time management skills

HOW TO APPLY

Submit your **(1)** CV, **(2)** statement of career interests and **(3)** three letters of reference (with names and contact information) to:

Tim Porea, MD

Hematology-Oncology Division,
Department of Pediatrics,
Baylor College of Medicine
1102 Bates Ave., Ste. 1570,
Houston, TX 77030

Our Mission & Values

The three pillars of our mission.

CARE

Delivering care that is personalized, high-quality, family-centered, and equitable, through a seamless patient experience.

RESEARCH

Advancing research and discovery that is cutting edge, innovative and unlocks promising new treatments for patients around the world.

EDUCATION

Fostering education that sparks passion and expertise in the next generation of hematologists and oncologists to drive the field forward.

OUR VALUES

- Family-centered care for every child
- Discover new and more effective treatments
- Educate the next generation of clinicians, health leaders, and scientists
- Share our discoveries freely to amplify impact and help children globally
- Support children and their families throughout their entire treatment journey and through survivorship
