

# Minimally Invasive Gynecologic Surgery in Austin

Patients at Texas Children's Pavilion for Women benefit from the latest advancements in minimally invasive gynecologic surgery and are cared for by highly experienced surgeons who specialize in the use of these techniques, including: robotic surgery, advanced laparoscopy, advanced hysteroscopy.

Texas Children's Pavilion for Women is also accredited by the Surgical Review Corporation (SRC) as a Center of Excellence for Minimally Invasive Gynecology. SRC's accreditation program recognizes facilities that demonstrate an unparalleled commitment and ability to consistently deliver safe, effective, evidence-based care. This has always been the focus at the Pavilion for Women. Patients can be assured that the Pavilion for Women has met rigorous standards for delivering high-quality perioperative and long-term follow-up care.
