

Texas Children's Heart Center

Ranked #1 in pediatric cardiology and heart surgery

With more than a half-century of experience caring for children's hearts, Texas Children's Heart Center combines groundbreaking technology with compassion and a family-centered, multi-faceted approach to pediatric cardiology, congenital heart surgery, cardiovascular anesthesiology and cardiac intensive care. The Heart Center is also home to an adult congenital heart clinic and inpatient unit, providing a seamless transition of care from childhood to adulthood for those with congenital heart disease.

Our uniquely trained team across the Houston and Austin areas, composed of physicians and surgeons who are also academic faculty at Baylor College of Medicine, sees more than 34,000 patients and performs more than 1,100 surgeries annually, with outcomes among the best in the nation.
