

Adult Congenital Heart Program

at Texas Children's Heart Center

Ranked #1 in pediatric cardiology and heart surgery by U.S. News & World Report, Texas Children's Heart Center is also home to one of the nation's most comprehensive Adult Congenital Heart Disease (ACHD) programs. With more than half a century of experience in congenital heart disease, our team provides seamless, lifelong cardiovascular care — supported by a dedicated ACHD clinic and inpatient services that ensure continuity and multidisciplinary expertise for adults living with congenital heart conditions.

Across Houston and Austin areas, our academic faculty at Baylor College of Medicine, see more than 34,000 patients and performs more than 1,100 surgeries annually, with outcomes among the best in the nation.

The Heart Center Referral Team is here to help

Our dedicated cardiac nurses are available to assist cardiologists with:

- Referral intake
- Record/image exchange
- Second opinions
- Patient updates and more

Available weekdays, 8 am – 5 pm CST

Phone: **832-822-7335**

Fax: **832-825-9608**

Texas Children's
Hospital

Second opinion program

For those with a diagnosed cardiac condition and questions about Texas Children's Hospital's approach to treatment, the Heart Center offers a Second Opinion program. If you are a Cardiac specialist seeking a comprehensive second opinion on a case, please contact **832-822-7335** to get started, or complete a referral to Texas Children's Heart Center and select "Second Opinion."

How to refer a patient

To refer a patient, please visit texaschildrens.org, select **Refer a Patient**, then select Heart Center from the dropdown menu and submit an online referral.
