Texas Children's Heart Center in Austin

Texas Children's Heart Center is leading the way in Austin with world-class congenital heart care from the nation's top pediatric heart center. From conception through adulthood, our team provides immediate access to comprehensive congenital cardiac services at a world class facility right here in Austin. Our North Austin campus has dedicated pediatric and neonatal intensive care units and offers labor and delivery services, allowing mothers and babies to receive life-changing care at one convenient hospital location.

Our Approach

The Texas Children's Heart Center in Austin puts patients at the center of all we do, collaborating across specialties to create individualized care plans for each fetal, neonatal, pediatric and adult patient. For your convenience, our fetal and pediatric cardiology teams have clinic locations throughout Austin and the surrounding areas. Our providers are available to discuss diagnoses or care plans directly with referring physicians.

REFERRING A PATIENT

To refer a patient online, visit **texaschildrens.org/refer**, select **Heart Center** and complete and submit the online referral form. Supporting records can also be uploaded using our online form.

REFERRING PROVIDER RESOURCES

If you are a provider who needs referral assistance or needs to speak to an on-call specialist, call the Provider Connect team at **832-TCH-CARE (832-824-2273)** or toll-free at **877-855-4857**, Monday to Friday, 8 a.m. to 5 p.m., excluding holidays. After hours, follow the prompts to be connected with the appropriate provider.

For non-urgent questions, email us at **providerconnect@texaschildrens.org**.
