

Your referral to Texas Children's Hospital: Nutrition Services

Your doctor has referred your child to a nutrition services provider at Texas Children's Hospital. For your convenience, our nutrition service providers see patients at multiple locations and **may offer video visits for certain conditions. Group classes are video visits at this time.** Our team will work with you to find the provider and location that best meets your needs.

Referrals require review by our team before scheduling can occur. When the review is complete, we will contact you to schedule an appointment.
