

Your referral to Texas Children's Hospital: Pediatric Surgery

Your doctor has referred your child to a pediatric surgery provider at Texas Children's Hospital. Your referral has been received, and we are ready to schedule your child's appointment. For your convenience, our pediatric surgery providers see patients at multiple locations and **may offer video visits for certain conditions**.

Many visit types can be scheduled using your Texas Children's MyChart account.

If you do not have a MyChart account for your child or prefer making an appointment over the phone or would like to check the status of your referral, please call:

- **Houston area:** 832-822-2778 (Mon. – Fri., 7 a.m. – 7 p.m. or Sat. 9 a.m. – 2 p.m.)
- **Austin area:** 737-229-3550 (Mon. – Fri., 7 a.m. – 7 p.m. or Sat. 9 a.m. – 2 p.m.)

During your office visit, a specialist will examine your child and discuss a treatment plan. If a procedure or surgery is recommended it will be scheduled for a future date.

Thank you for allowing us to care for your child.
