

Your referral to Texas Children's Hospital: Wound Care

Your doctor has referred you or your child to a wound care provider at Texas Children's Hospital. For your convenience, our wound care providers see patients at multiple locations across the Houston and Austin areas and **may offer video visits for certain conditions**.

Many visit types can be scheduled using your Texas Children's MyChart account.

If you do not have a MyChart account or prefer making an appointment over the phone, please call:

- **Houston area:** 832-822-2778 (Mon. – Fri., 7 a.m. – 7 p.m.)
- **Austin area:** 737-229-3550 (Mon. – Fri., 7 a.m. – 7 p.m.)
